### Editorial Review

From School Library Journal

Gr 9 Up—High school junior Britt Pheiffer transforms from weak and complacent to a strong survivor when she spends her spring break backpacking in the mountains of Wyoming. Britt and her best friend, Korie, are stranded on their way up the mountain by an unexpected snowstorm. The girls stumble onto a cabin, which is sheltering Shaun and Mason. The two men, who at first appear to be an attractive silver lining, end up taking the girls captive. In order to survive, Britt must face not only her captors but a cold and dangerous landscape. While some of Britt's inner dialog becomes repetitive and some details of the mystery seem too convenient, teens looking for romance and adventure will get sucked in. They may also be able to identify with Britt's complicated and competitive friendship with Korie and her conflicted feelings for her ex. Narrator Jenna Lamia does a superb job building suspense and varying inflection among the characters, as well as creating a believable and sympathetic voice for Britt. Give this to fans of Fitzpatrick's "Hush, Hush" saga (S. & S.) or teens who enjoyed April Henry's novels.—Rebecca Flannery, Lyman Memorial High School, Lebanon, CT

5\* - Black ice is filled with twists and turns that will surprise you and keep you guessing and flying through the pages until you find out exactly what the hell is going on... I hope Becca writes more books like it as I will be first in the queue for my copy when that happens. Bookaholics This book is amazing. Absolutely amazing. I loved Becca Fitzpatrick's Hush, Hush series and this is so different but still brilliant...It was pulse-pounding and pretty agonising to read as I chewed on my fingernails. Bookbabblers Fitzpatrick has written a novel that will easily stimulate debate and this is definitely going to be one of the most talked-about novels of 2014...readers will savour each word of this captivating, sexy thriller. Scott Reads It An edge of your seat style thriller packed with action and bad boys. Sugarscape A heart-wrenching, climatic book with huge plot twists and lots of drama with a hint of sweet romance. An excellent book by the extremely gifted author. Kynthia Ravikumar, age 14, for lovereading4kids.co.uk
