"Jessica Scott is an exciting new voice in romantic fiction who bursts upon the scene with an unputdownable debut novel!"

--Robyn Carr, *New York Times* bestselling author on *Because of You*

*She plays by the rules . . .*

*Captain Ben Teague is many things: a tough soldier, a loyal friend, and a bona fide smart-ass. He doesn't have much tolerance for BS, which is why he's mad as hell when a trusted colleague and mentor is brought up on charges that can't possibly be true. He's even more frustrated with by-the-book lawyer Major Olivia Hale. But there's something simmering beneath her icy reserve--and Ben just can't resist turning up the heat . . .*

*. . . and he's determined to break them*

*The only thing riskier than mixing business with pleasure is enjoying it . . . and Olivia can't resist locking horns--and lips--with Ben. He's got more compassion in his little finger than any commander she's ever met, a fact that makes him a better leader than he realizes. But when the case that brought them together awakens demons from Olivia's past, she will have to choose between following orders--or her heart . . .*
