Memories of the Heart By Felice Stevens

Ruthless, Controlling, A Loner. All words used to describe Dr. Micah Steinberg by the hospital staff for their next head of surgery. When a letter arrives from his grandmother's friend at the assisted living facility, his orderly world tilts dangerously out of control. Josh Rosen had everything until it was revealed much of his world was a lie. Forced to re-evaluate his life, Josh gives up his career and returns home to New York City to care for his beloved grandmother. What Josh didn't figure on was an attraction to a man who on the surface, appears to be exactly like the life Josh chose to leave behind. As Micah struggles with the reality of his grandmother's illness, the bond these two share deepens, as Josh helps Micah heal, then open his heart. Micah discovers there is more to life than work, control and success. Josh is in deep but has yet to tell Micah who he really is. When the fight for the hospital's head of surgery turns ugly, Josh's past and present collide. Micah must let go of the past and accept who he is, if his life is going to move forward. Life is full of surprises, and as both Micah and Josh learn, love can happen whether you plan for it or not.
