The second book in the Holy Trinity Trilogy:

After escaping a worldwide apocalyptic plague that transformed most of humanity into flesh eating monsters, Trinity found sanctuary with a band of roving Gypsies who possessed incredible powers the likes of which she'd never seen before.

After a brutal attack on camp and a life changing transformation she'd never seen coming, the clan abandoned her; left her alone in a world where the only thing certain is death.

Her power unstable, her future unknown, Trinity fights to keep breathing, to keep her sanity and to find her destiny.

\*\*\* Note to readers: The gypsy cultures, traditions, languages, and lifestyles depicted in this novel have been altered to reflect the author's imagination, and are not intended as a depiction of real-world gypsies. No gypsies were harmed in the production of this novel.

## **Editorial Review**

### **Review**

This intense mystical read is filled with post apocalyptic living, disharmony, magical forces and Gypsy traditions, but what had me truly enthralled was the bonds between the heroine and heroes, the predicaments they find themselves in, and the consequences of all their actions. The second installment of The Holy Trinity Series takes your emotions all over the map; a heartbreaking love story that simultaneously gives readers a taste of the beauty that lies beneath the pain. -Kristina Amit, Stories and Swag Book Reviews.
