### **Phone Wanks Vol 4** By Robbie Webb

Robbie has done lots of live phone sex work in the UK, talking dirty to callers and helping them to wank off. Well, somebody's got to do it! He's also recorded stories but the live phone lines were the best as he really did get proper turned on listening to all those horny callers having a wank on the other end of the line. Sometimes he had a wank himself whilst he was talking dirty to the callers. If he hadn't had the job he probably would have got locked up for making dirty phone calls anyway as he is proper dirty. All boys are 18 and over.

You can read some of the transcripts in this book.

Scally is an English word. Scallies live on council estates. They wear baseball caps or hooded tops, tracksuit bottoms (trackies), and trainers, occasionally football shorts and tops. Known as 'the underclass' they are mostly poorly educated and unemployed. They are also known as chavs and hoodies.

All characters and terms including 'boy' 'lad' and 'girl' refer to people age 18 and over.

These transcripts contain explicit gay sexual content. They should only be read by people over the age of 18.
