365 Delight-Directed Learning Pages for Christian Families

This is our most challenging Homeschooling Journal for older students. Parents will need to assist the student for the first three days of learning, and then the student will be able to work independently. All subjects are covered, but the student must be able to use library books and online tutorials for their research, math and history lessons.

We recommend using this workbook as a supplement for classical education or as a complete curriculum for eclectic learners and delight directed students.

If you use 10 pages per day for about four hours of guided learning time - the book will last 6 weeks.

If you use 5 pages per day for about 2 hours - and the book will last around 12 weeks.

It will last 365 days if you use one page per day year round.

Use about 2 pages per day for a 180 day school year.

Use 10 pages per day on Mondays and Fridays if you want your kids to be really happy, and it will last the whole year.
