Cherish: Cultivating Relationships with Parents, Friends, Guys, and More
By Vicki Courtney

Instead of just surviving relationships, why not cherish them?

A teen girl's life is bursting with relationships—hard ones, favorite ones, and ones you would avoid if only you could. In *Cherish*, best-selling author Vicki Courtney offers godly yet timely advice on how to navigate and cultivate relationships with your parents, friends, guys, and everyone else who fills your day. You'll find your questions answered on such topics as:

- Top 10 friendship killers
- What to do when your family is falling apart
- What happens when good girls fall for bad boys
- How to live in the digital world
- Why did God put you here anyway?

Editorial Review

About the Author

Vicki Courtney is a national speaker to women of all ages and the best-selling author of numerous books and Bible studies including, *Move On, Ever After, 5 Conversations You Must Have With Your Daughter, and 5 Conversations You Must Have With Your Son*. She is a two-time ECPA Christian Book Award winner and has appeared on CNN and Fox News as a youth culture commentator.

Vicki and her husband, Keith, reside in Austin, Texas and are the proud parents of three grown children, two daughter-in-laws and a son-in-law. They also have two grandsons and are blessed to have all their children living nearby in Austin and Houston. More information about Vicki can be found at VickiCourtney.com.

Users Review

From reader reviews:

Rebecca Bailey:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim or maybe goal; it means that e-book has different type. Some people feel enjoy to spend their the perfect time to read a book. These are reading whatever they acquire because their hobby is usually reading a book. How about the person who don't like studying a book? Sometime, individual feel need book if they found difficult problem or perhaps exercise. Well, probably you will require this Cherish: Cultivating Relationships with Parents, Friends, Guys, and More.

Martin Song:

What do you consider book? It is just for students because they're still students or it for all people in the world, what best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great as well as important the book Cherish: Cultivating Relationships with Parents, Friends, Guys, and More. All type of book could you see on many solutions. You can look for the internet options or other social media.

James Johnson:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV the whole day. You can have new activity to invest your whole day by reading a book. Ugh, think reading a book will surely hard because you have to take the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Cell phone. Like Cherish: Cultivating Relationships with

Parents, Friends, Guys, and More which is getting the e-book version. So , try out this book? Let's view.

Kimberly Duda:

What is your hobby? Have you heard that question when you got students? We believe that that concern was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you know that little person just like reading or as looking at become their hobby. You need to understand that reading is very important and also book as to be the issue. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You will find good news or update concerning something by book. Many kinds of books that can you go onto be your object. One of them are these claims Cherish: Cultivating Relationships with Parents, Friends, Guys, and More.
