Hamlet, Prince of Denmark (Large Print) By William Shakespeare

With seething rage Hamlet is one of Shakespeare's most influential works. Incest, corruption and treachery bring this story to life as the king's ghost demands that his son get revenge on his uncle Claudius for pouring poison in his ear. With his mother married to Claudius the new king Hamlet swears his friends to secrecy as they set out to get revenge. William Shakespeare is widely regarded as the greatest writer of the English language. Works of Romeo and Juliet, Othello, A Mid Summer's Night Dream and The Taming of the Shrew have been taught and been on stage since they were written. His influence on culture is far more reaching as he has invented many of the words that we are using today.

Editorial Review

About the Author

William Shakespeare, also known as “Bard of Avon”, is regarded as one of the greatest writer in the English language and the finest dramatist of the world. He was a successful English poet, Playwright, and actor. He is often called England’s National Poet. His works have been translated into every major language of the world, and are performed the most as compared to any other playwright. His works, along with some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems, and few other verses, of which the authorship of some is unconfirmed. Shakespeare’s private life is much speculated about, as too few records of his private life have survived. The known works of Shakespeare were produced between 1589 and 1613. In the early phase as a playwright, Shakespeare mostly produced comedies and histories, and these works are considered as one of the best in these genres. Afterwards, he wrote tragedies until about 1608, which include Hamlet, Macbeth, King Lear, and Othello. These works are also one of the finest in English language, and literature. In his last phase, he wrote tragicomedies, also known as romances, and collaborated with other playwrights.

Users Review

From reader reviews:

Edith Stewart:

The feeling that you get from Hamlet, Prince of Denmark (Large Print) may be the more deep you searching the information that hide in the words the more you get considering reading it. It does not mean that this book is hard to be aware of but Hamlet, Prince of Denmark (Large Print) giving you excitement feeling of reading.
