### Handbook of Harmony - Gospel - Jazz - R&B -Soul: The secrets to those beautiful chord changes now exposed By Gregory Moody

This is the main instructional volume for the "Adventures in Harmony Music Course". This volume is available in color and in black and white. This volume will guide you in using the other voicing reference volumes that are part of this series. This volume explains the patent pending system and technique on creating beautiful chord progressions and changes. This is the first time that this information has appeared in print allowing anybody to create that soulful sound in their music. With this course you will be creating harmonies and progressions to go with music of your choice. There are no songs or progressions to memorize in this course. This is because you are going to be creating your own progressions and harmonies to go with the songs that you choose. This is a step-by-step process that you can apply to any piece of music. Learn about Tones, Accidentals, Intervals, chord dissonance, consonance and resolution. How to turn a single note melody into full blown Advanced Chords; No more simple major, minors, 6's and 7th Chords. How to change songs with simple voicing into advanced voicings. How to add passing chords anywhere you want. Creative Music has developed a revolutionary method enabling keyboard musicians to quickly harmonize a line of notes with infinite chord changes. Imagine being able to play a different chord on every melody note! The system is such that no two musicians will come up with the same resulting harmonization. Gregory Moody Creative Music's founder is an accomplished musician and software engineer, who comes from a family lineage of musicians, i.e., his world famous cousin NEA jazz master and recording artist, James Moody. Music education has not changed in the last century, and Creative Music is on the forefront of turning that around. We are re-inventing how music has been taught for the last century. Our instructional method goes against the grain of all past music education teaching methodologies.

### **Editorial Review**

#### **About the Author**

Gregory Moody is the founder of Gospel-Chords.com. He has over 30 years of experience in the music field. Having studied diligently under those taught by some of the great jazz masters, and being greatly influenced by them, Greg was inspired to create the "Adventures in Harmony Series". His unique harmony and composition styles are the foundation that lead to the development of this unique program. Greg also has a degree in Computer Science from Rutgers University. Combining his knowledge and passion of both music and computers, he utilized both extensively to analyze chords, voicings relationships and to discover harmonies that only a few may have stumbled upon. As a term of endearment his friends, family and colleagues have bestowed upon him the title of "King of Harmony".
