Killer Buzz Float: Greatest Hits By Kendall Grey

Your mother will never forgive you if you read this book ...

Letty Dillinger, Jinx Hardwick, Shades Armstrong, Toombs Badcock, and Rax Wrathbone are on a rock 'n' roll journey to stardom and COMPLETE sexual freedom. You should avoid tangling with them at all cost. The vile, base language and shocking, unholy sexual acts contained within these pages are grounds for arrest in 52 countries and caning in twelve others (and for you masochistic kinksters who enjoy that sort of thing, they use wet, limp celery instead of those rattan things, just to piss you off). The American Sexcapades Society found that 4 out of 5 Hard Rock Harlots readers who lived to tell about the book were unfit to return to proper society upon finishing. Forget about going to work the next day (Unless you work at a sewage treatment plant--then you might be okay.). Following a ferocious public outcry and repeated (failed) attempts at banning the books, several states set up padded shelters and edible straight jackets for the unfortunate Hard Rock Harlots survivors who can't shake the nightmares of giant gonads chasing them with 3-headed industrial-strength sprinklers.

Who knew reading could be so damaging to one's health?

IF YOU VALUE YOUR LIFE, DO NOT READ THIS BOOK!

KILLER BUZZ FLOAT: Greatest Hits, Volume 1 features the first three books in Kendall Grey's Hard Rock Harlots series, originally published in 2013. This series contains EXTREMELY graphic sexual content (DUH!) and is not suitable for readers under the age of 18. Includes masochism, MM, menage, pegging, DP, extreme body modification, Domination, submission, lots of flying bodily fluids, A2M, alcohol abuse, prostitution, cheating, and more. Seriously, if any of the above is the least bit off-putting, please proceed with caution!

Editorial Review

About the Author

A whale warrior, indie freedom fighter, and vodka martini aficionado, Kendall Grey is calm like an F-bomb*. She writes urban fantasy, rock star erotica, erotic suspense/thrillers, and apocalyptic science fiction. Swashbuckling cowboy priests in latex chaps are next on her To Write list**.

Kendall lives off a dirt road near Atlanta, Georgia with three mischievous Demonlings, a dashing geek in cyber armor, and a long-haired miniature Dachshund that thinks she's a cat.

* Detonation manual not included.

** Just kidding about the cowboy priests. Someone probably already did that.
