Editorial Review

Review

I have a prescription for every believer who needs vitality in his or her prayer life. Devour this book! For those who want to intercede for family, friends, and the nation, Jim Goll gives you a blueprint for action in the Spirit realm. It places within your hands God's battle plan for victory. Jim gives not just an understanding of the theology of intercession but how the principles apply in your daily life. I remember well the testimony of healing from barrenness that this book describes vividly as I was used by the Lord as a tool of mercy in the Master's hands. As a result, not only do the Golls have four children today but Jim and Michal Ann have entered into a depth of prayer and are able to impart these truths to the lives of believers. I encourage every believer in every church to allow the Holy Spirit to weave the great truths contained in *Kneeling on the Promises* into the fabric of your life -- *Mahesh Chavda, founder and senior pastor, All Nations Church, Charlotte, North Carolina*

I highly recommend this book by my friend Jim Goll. It is an excellent work, so refreshing and really unlike any other approach to this subject. It challenges us to embrace the positive promises of God as "kneeling Christians," that we may stand upon them daily as strong believers. I am more hungry for God after reading this book -- *Paul Cain, Shiloh Ministries*

I personally can attest to the intercessory grace on Jim Goll's life and his passion for Jesus as I have walked with him for the past fifteen years. *Kneeling on the Promises* will add needed ammunition to the prayer arsenal to inspire effective, fervent prayer from the heart -- *Mike Bickle, ministry director, Friends of the Bridegroom; senior pastor, Metro Christian Fellowship of Kansas City*

If the Lord eternally titled His own House as a "House of Prayer," there must be incredible depths and dimension of prayer we have yet to discover. One who could show us such profound and prophetic revelation would need to be a humble seeker, a desperate traveler, and a warring prevailer. I know of no man more qualified to take us on that journey than Jim Goll -- *Dr. Ch Ahn, senior pastor, Harvest Rock Church, Pasadena, California*

Jim Goll has done it again! Few can put it together like Jim in concept and application. Touch this work and you will be touched -- *Jack Taylor, president, Dimension Ministries*

Jim Goll is a man God has used in my life to give prophetic direction and definition. Jim is sold out to God. He has been used to bring healing and encouragement to me and the church I lead in Iowa -- *Francis Frangipane, River of Life Ministries*

Not only does Jim Goll have an excellent prayer and prophetic ministry; he also has an ability to teach and equip the Body of Christ with excellence -- *John Arnott, senior pastor, Toronto Airport Christian Fellowship*

The last thing the body of Christ needs is another gimmicky book on prayer. Jim Goll hasn't given us one. Instead, he speaks of the kind of biblically-informed intercession that transformed the age of Wesley, set ablaze the meadows of Cain Ridge, and, as in Wales and Zambia, shaped the course of nations. If it is true, as Jonathan Edwards said, that "when God determines to give his people revival, he sets them a-praying," then this book is as much a hopeful sign as it is a fresh unveiling of God's ways -- *Stephen Mansfield*

What an excellent resource! Here is a call to prayer that understands the prophetic, a call to intercession that understands the importance of Israel, a call to supplication that understands the Spirit. Jim Goll is one of the few leaders in the Body today who could write such a book, let alone do it with passion, biblical grounding and balance. This is highly recommended reading. -- *Dr. Michael L. Brown, president, Brownsville [Florida] Revival School of Ministry*
