Editorial Review

Review

Praise for previous editions:

'The complexity of international human resource management is daunting. Challenges inherent in managing a global workforce undermine effective strategy implementation for far too many MNCs. Vance and Paik provide tools, frameworks and perspectives to guide and demystify the analysis, understanding and practice of international human resource management. This textbook is destined to become a classic.' - *Mary B. Teagarden, Editor, Thunderbird International Business Review, Thunderbird School of Global Management*

'This textbook recognizes the entire global workforce that international firms and leaders manage in today's increasingly complex and volatile world. It provides an in-depth understanding of the ways these firms can successfully integrate and draw on the talent available across the globe, and is an extremely valuable contribution to students and practitioners of global management.' - *Sully Taylor, Director of International Programs, School of Business Administration, Portland State University*

Better than many at hand in that it does provide a great deal of fascinating and detailed illustrations relating to foreign places, exotic localities and off-shore companies. In fact, there is probably more *couleur locale* here than in most competing texts. This facet makes the work an attractive conventional proposition for recommending on reading lists for international students on IHRM courses on MBA programmes, although it could also be equally well used on undergraduate ones, if less so for critical scholars in the work and organisation studies field. - *Malcolm Warner, Judge Business School, University of Cambridge*

About the Author

Charles Vance is a management professor with expertise in human resource management, training and development at Loyola Marymount University, USA. He previously worked at Northrop Grumman, the China-Europe International Business School and FedEx.

Yongsun Paik is an international business and management professor with an interest in international human resources management, cross-border mergers and acquisitions and joint ventures, and East Asian business management. He is at Loyola Marymount University, USA.

Users Review

From reader reviews:

James Fomby:

Reading a reserve can be one of a lot of task that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new facts.

When you read a publication you will get new information because book is one of numerous ways to share the information as well as their idea. Second, looking at a book will make a person more imaginative. When you examining a book especially fiction book the author will bring you to definitely imagine the story how the figures do it anything. Third, you could share your knowledge to others. When you read this Managing a Global Workforce, you could tell your family, friends and also soon about yours book. Your knowledge can inspire average, make them reading a book.

Margaret Holt:

The book Managing a Global Workforce has a lot of knowledge on it. So when you check out this book you can get a lot of benefit. The book was compiled by the very famous author. McDougal makes some research previous to write this book. This kind of book very easy to read you may get the point easily after reading this book.

Shawn Stoltzfus:

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV all day every day. You can have new activity to invest your whole day by looking at a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It alright you can have the e-book, getting everywhere you want in your Touch screen phone. Like Managing a Global Workforce which is keeping the e-book version. So, why not try out this book? Let's notice.

Tom Salgado:

What is your hobby? Have you heard this question when you got students? We believe that that problem was given by teacher to their students. Many kinds of hobby, Everyone has different hobby. So you know that little person like reading or as looking at become their hobby. You have to know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You see good news or update regarding something by book. Different categories of books that can you take to be your object. One of them is actually Managing a Global Workforce.
