### Midst Toil and Tribulation (Safehold) By David Weber

David Weber's *New York Times* bestselling Safehold series of military Science Fiction adventure, which began with *Off Armageddon Reef*, continues with *Midst Toil and Tribulation*

#### WAR AND FAMINE

Once the Church of God Awaiting dominated all the kingdoms of Safehold. Then, after centuries of stasis, the island kingdom of Charis began to defy the edicts of Mother Church--egged on, some say, by the mysterious warrior-monk Merlin Athrawes, who enjoys the Charisian royal family's absolute trust.

What vanishingly few people know is that Merlin is the cybernetic avatar of a young woman a thousand years dead, felled in the war in which aliens destroyed Earth...and that since awakening, his task has been to restart the history of the long-hidden human race.

Now, reeling from the wars and intrigues that have cascaded from Charis's declaration of independence, the Republic of Siddermark slides into chaos. The Church has engineered a rebellion, and Siddermark's all-important harvest is at risk. King Cayleb and Queen Sharleyan struggle to stabilize their ally, which will mean sending troops--but, even more importantly, preventing famine. For mass starvation in Safehold's breadbasket is a threat even more ominous than civil war...

### Editorial Review

#### From *Booklist*

In the latest installment in the Safehold series (whose popularity seems to grow with every new novel), the fate of the newly liberated Republic of Siddermark—see the previous book, *How Firm a Foundation* (2011)—takes center stage. The republic is dying, its people starving, its social structure collapsing. This is bad news for the Charisian Empire, whose quest for independence from the Church of God Awaiting continues unabated (Charis is a naval power but not so strong on dry land), and for the Church itself, for whom the loss of Siddermark would mean the loss of a vital source of cash. If none of this makes a grain of sense to you, then this is probably not the place to begin reading the Safehold series (of which this is the sixth book). If, on the other hand, you're a Weber fan—and there are a great many of them—you'll already be lining up for this one. Weber's grand-scale storytelling is a big draw, as are his many parallels (some more subtle than others) to the terrestrial history of warfare and his ever-so-slightly-larger-than-life characters. Weber's rather more distracting habits continue, too: his tendency to use ordinary names with unorthodox spellings (Wahlys, Domynyk, Irys, Tympyllyn), and his assumption that readers are almost encyclopedically versed in the previous books in the series (a little more backstory and bringing-up-to-speed might help). But why mess with success? Weber's found a winning formula in the Safehold books, and it's difficult to imagine that his legion of fans will be anything less than thrilled. --David Pitt

#### Review

“Superb!” *Booklist, starred review, on By Schism Rent Asunder*

“A brilliant new saga... Its focus remains on the people who embody the strengths and weaknesses of a flawed but ever hopeful humanity. Highly recommended” *Library Journal, starred review, on By Schism Rent Asunder*

“Like its predecessors in the Safehold series, the novel paints a vast, stunningly complex political and military tapestry, with wonderful battle scenes.” *Kirkus Reviews on By Heresies Distressed*

“Gripping...Shifting effortlessly between battles among warp-speed starships and among oar-powered galleys, Weber brings the political maneuvering, past and future technologies, and vigorous protagonists together for a cohesive, engrossing whole.” *Publishers Weekly, starred review, on Off Armageddon Reef*

“Vast, complex, intricate, subtle, and unlaydownable. This looks like the start of the biggest thing in science fiction since Isaac Asimov's Foundation series.” *Dave Duncan on Off Armageddon Reef*

“Effortlessly exceeds the magnificence of its predecessor...I cannot emphasize how much I want to read the next chapter in the Safehold saga.” *Fantasy Book Critic on By Schism Rent Asunder*

“Fantastic in every sense of the word—the kind of book that makes you sit back and think about this reality that we call life. Who can ask for more than that?” *R. A. Salvatore on Off Armageddon Reef*

#### About the Author

**David Weber** is a science fiction phenomenon and the author of the Safehold series, including *By Schism Rent Asunder*, *By Heresies Distressed* and *A Mighty Fortress*. His popular Honor Harrington and Honorverse novels—including *Mission of Honor*, *At All Costs*, and *Torch of Freedom*—are *New York Times* bestsellers and

can't come out fast enough for his devoted readers. His other top-selling science fiction novels include *Out of the Dark*, the Dahak books and the Multiverse books, written with Linda Evans. He has also created an epic SF adventure series in collaboration with John Ringo, including *We Few*. His novels have regularly been Main Selections of the Science Fiction Book Club. Weber has a bachelor's degree from Warren Wilson College, and attended graduate school in history at Appalachian State University. He lives in South Carolina.

## Users Review

### From reader reviews:

#### Cassie Merritt:

What do you think of book? It is just for students since they're still students or it for all people in the world, what best subject for that? Merely you can be answered for that problem above. Every person has several personality and hobby per other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book *Midst Toil and Tribulation (Safehold)*. All type of book would you see on many methods. You can look for the internet options or other social media.

#### Philip Raber:

A lot of people always spent their very own free time to vacation or even go to the outside with them household or their friend. Did you know? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you would like try to find a new activity that is look different you can read a new book. It is really fun for yourself. If you enjoy the book that you read you can spent all day long to reading a guide. The book *Midst Toil and Tribulation (Safehold)* it is rather good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy the actual e-book. You can more easily to read this book from a smart phone. The price is not to cover but this book has high quality.

#### Sharonda Adair:

A lot of book has printed but it is unique. You can get it by web on social media. You can choose the most beneficial book for you, science, amusing, novel, or whatever by means of searching from it. It is named of book *Midst Toil and Tribulation (Safehold)*. Contain your knowledge by it. Without leaving behind the printed book, it might add your knowledge and make a person happier to read. It is most critical that, you must aware about guide. It can bring you from one place to other place.

#### James Rohrbach:

What is your hobby? Have you heard in which question when you got scholars? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you know that little person just like reading or as reading become their hobby. You should know that reading is very important along with book as to be the factor. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update about something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is this *Midst Toil and*

Tribulation (Safehold).
