Editorial Review

Review

'Muller and Turner have compiled a terrific ready-reckonerA" that all project managers would benefit from reading and reflecting upon to challenge their performance. The authors have condensed considerable experience and research from a wide variety of professional disciplines, to provide a robust digest that highlights the significance of leadership capabilities for effective delivery of project outcomes. One of the big advantages of this book is the richness of the content and the natural flow of their argument throughout such a short book...Good advice, well explained and backed up with a body of evidence...I will be recommending the book to colleagues who are in project leader and manager roles and to students who are considering these as part of their development or career path.' --Arthur Shelley, RMIT University, Melbourne, Australia, International Journal of Managing Projects in Business

About the Author

Ralf MÃ¼ller is Professor of Project Management at BI Norwegian Business School. In parallel he is the managing director of PM Concepts, a Sweden based Management Consultancy, which advises larger enterprises in project, program and portfolio management. He lectures project management, project leadership, project governance and research methodology. His research focuses on project, program and portfolio management improvement from an organization-wide and leadership perspective. His research studies have appeared in more than 120 publications and he is frequent speaker at global researcher and practitioner conferences. As a consultant he worked in 47 different countries, for the improvement of project related practices in large organizations. He also managed national, international and global IT projects and consulting organizations. Dr MÃ¼ller is a member of the Editorial Review Board of several international academic journals. He is a member of the Consortium for Research in Emotional Intelligence in Organizations, and a co-founder of PMI's Frankfurt and Munich Chapters, as well as contributor to the PMI Standards for Organizational Project Management Maturity (OPM3), Program Management, and Portfolio Management.

Users Review

From reader reviews:

Dorothy Jaramillo:

Book is actually written, printed, or outlined for everything. You can learn everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Close to that you can your reading proficiency was fluently. A e-book Project-Oriented Leadership (Advances in Project Management) will make you to become smarter. You can feel more confidence if you can know about anything. But some of you think which open or reading a new book make you bored. It isn't make you fun. Why they are often thought like that? Have you looking for best book or acceptable book with you?

Patricia Glover:

Here thing why this specific Project-Oriented Leadership (Advances in Project Management) are different and trustworthy to be yours. First of all examining a book is good but it really depends in the content of

computer which is the content is as delightful as food or not. Project-Oriented Leadership (Advances in Project Management) giving you information deeper since different ways, you can find any publication out there but there is no reserve that similar with Project-Oriented Leadership (Advances in Project Management). It gives you thrill reading journey, its open up your own eyes about the thing in which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in park, café, or even in your method home by train. For anyone who is having difficulties in bringing the paper book maybe the form of Project-Oriented Leadership (Advances in Project Management) in e-book can be your alternative.

Johnnie Gonzales:

This Project-Oriented Leadership (Advances in Project Management) is great book for you because the content which is full of information for you who all always deal with world and possess to make decision every minute. This particular book reveal it info accurately using great arrange word or we can claim no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having Project-Oriented Leadership (Advances in Project Management) in your hand like finding the world in your arm, details in it is not ridiculous one. We can say that no publication that offer you world with ten or fifteen moment right but this publication already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt that will?

Robin Adams:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Project-Oriented Leadership (Advances in Project Management) can be the respond to, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
