**The Averys of Willow Creek: The Willow Creek Series Books 1 - 4** By Lily Graison

Travel back to the 1800's and tangle with ornery town marshals, Indians and schoolmarmes who are anything but docile. Willow Creek may be a sleepy little frontier town but the characters who live there are as untamed as the land itself!

### **Book 1: The Lawman**

On the run from her ex-lover...

Jilted by a no-show husband...

And now mistaken for a whore in the Diamond Back Saloon...

Abigail Thornton doesn't think things can get any worse. That is until a single slap to a man's face starts a barroom brawl that lands her in the last place she expected to be.

### **Book 2: The Outlaw**

Sarah Hartford always dreamed of a grand adventure. She just never expected to find it in the arms of an outlaw.

### **Book 3: The Gambler**

Emmaline Hunt only had one thing she could call her own. A piece of land that held a secret not even her drunken stepfather knew about. When he gambles it away in a high stakes poker game, Emmaline hatches a plan to get it back. She wants her land, and Tristan Avery's money, and she'll do whatever it takes to get them. All she has to do is convince him she's there to stay, outwit him, find a way back home and not let a single soul know she has a gold mine bursting at the seams with untapped wealth.

### **Book 4: The Rancher**

Laurel Montgomery wanted a new life, one that didn't include a man. She'd had enough of their pretty lies and broken promises but one night of reckless abandon weeks before taking a job as the new schoolteacher in Willow Creek would come back to haunt her. The man she thought to never see again turns out to be the father of one of her new students. A man so handsome and rugged he takes her breath away. Too bad she's sworn off men forever. If only the stubborn man

would take no for an answer.

### **Editorial Review**

#### **About the Author**

*USA TODAY* bestselling author Lily Graison writes historical western romances and dabbles in contemporary and paranormal romance. First published in 2005, Lily has written over a dozen romance novels that range from sweet to spicy.

She lives in Hickory, North Carolina with her husband, three high-strung Yorkies and more cats than she can count and is mother of two and grandmother of three. On occasion, she can be found at her sewing machine creating 1800's period clothing or participating in civil war reenactments and area living history events. When not portraying a southern belle, you can find her at a nearby store feeding her obsession for all things resembling office supplies.

### **Users Review**

#### **From reader reviews:**

##### **Robert Grant:**

Book is to be different for every grade. Book for children until finally adult are different content. As we know that book is very important usually.
