The CCNP ROUTE 300-101 exam is generally considered the toughest of the CCNP exams, and my study guide is guaranteed to help you pass this exam AND be prepared to work with Cisco routers in real-world environments!

With my fully-illustrated guide, you'll master advanced OSPF configs, complex route redistribution scenarios, VPNs, important network security features, and the monster that trips up so many on the CCNP ROUTE exam -- BGP!

(Frankly, the BGP section alone is worth the cost of the book!)

I'm going to help you master these topics and earn your CCNP with my crystal-clear, BS-free CCNP ROUTE 300-101 Study Guide!

This study guide is absolutely packed with configurations and screen shots from REAL Cisco routers, and many of the examples and labs in this book come from real-world situations that I and other network admins have faced personally.

My study guides have helped CCNP candidates earn their certifications for over 10 years - and now I'm ready to do the same for you.

Let's hear from just a few of the thousands of students who loved my previous CCNP ROUTE Study Guide (all quotes from Amazon reviews):

"I love Chris Bryant's CCNP ROUTE Study Guide! It gets straight to the point and avoids the annoying technobabble. He brings it down to a VERY readable level for everyone and covers everything under the sun."

"Out of all the CCNP ROUTE material that I have, I must say, this is one of the best, if not the best, CCNP ROUTE study guides out there. The instructor, Mr. Bryant is extremely sharp at explaining complex topics about the CCNP ROUTE

exam."

"Along the way I have read textbooks by Todd Lammle, Cisco Press as well as others.

While I do not discredit these authors, I do find that the Bryant Advantage material is much easier to digest and understand.

The CCNP Route study guide explained concepts that I found difficult to grasp, compared to similar lessons covered by other authors."

With my clear, comprehensive, straight-to-the-point illustrated lectures, and plenty of real-world labs, you'll be better prepared for the CCNP ROUTE exam than you ever thought possible.

Thanks for making my book part of your CCNP success story!

Let's get started!
