### **Editorial Review**

#### **Review**

**"A quirky tale of pets and their owners, art, and intrigue DROOL BABY is a satisfying and engaging mystery set against a unique backdrop."**

"The strength of DROOL BABY lies in the rag tag group of dog park regulars that the author creates. The in-depth character development happens quite naturally both as a circumstance of lots of park socializing scenes as well as the main character's attempts to get to the root of her former friend's murderous behavior. While the sheer amount of characters is a bit overwhelming at the beginning, their ties to their dogs as well as the unique facets of their personalities make each person, or suspect, equally compelling."
