Editorial Review

Review

"Emma Bridger's book fits into a gap for students and professionals who are new to engagement and who have been looking for a text to make sense of it. It draws the reader through the main concepts, processes and discussions, providing many case examples."--David Saxon "Employee Engagement Lecturer, Middlesex University, London "

"This book takes you through the entire process, making it suitable for the relative HR beginner as well as the more experienced hand. The book's design and structure has managed to serve two masters eminently well, not being too simplistic or complex in the process. A fine balance has been maintained. It is quite amazing how so much material has been placed in such a relatively slim package, without it feeling overwhelming... [I]f you are involved in HR you should give this book some serious consideration... It is quite likely that you will find a few things here to pique your interest, whether as a HR professional or just someone in a managerial position who has to manage people. ...[T]here is quite a lot of takeaway knowledge within this book."--Darren Ingram "Darren Ingram Media ""
