### One Bite (Blood Prince Series Book 2) By Jennifer Blackstream

In this scorching Blood Prince novel, *USA Today* bestselling author Jennifer Blackstream unites a cunning vampire prince accustomed to seeing his will obeyed with a fierce rebel maiden determined to thwart him.

*\* Can be read as a stand alone.*

#### A RUTHLESS VAMPIRE WITH A LUST FOR POWER

Kirill is a vampire prince plotting to be a vampire king. Contract by contract, he cements the alliances he needs, fueling negotiations with blood and blackmail. It's a slow and painstaking process--until he inadvertently rescues a woman beloved by all, a woman who could garner him all the good will he needs. But saving the dark-haired beauty's life is not enough to put him in her good graces. If he wants her help, he'll have to suppress the wicked urges she inspires in him, and bargain as he's never bargained before.

#### A PASSIONATE SIREN WITH A HEART FOR REBELLION

Irina will not cower. Not from an evil sorceress, and not from the scheming vampire prince whose fangs threaten her with death even as his lips raise the heated desire of her bloodline. With a dagger at the ready, she agrees to a bargain -- her aid in his pursuit of political alliances with creatures beyond the veil in return for a reduction in the royal tithe her people are forced to pay the crown. If only sharp fangs and a sharp tongue weren't such an incendiary combination...

#### A SORCERESS SCORNE

The vampire's past is not so eager to let him go. Kirill's kiss has sealed Irina's fate. To save her, the vampire prince will have to decide between the power he wants...and the woman he needs.

## **Editorial Review**

### **Review**

"Another dark, lovely retelling in this brilliant series! I love dark fairy tales and these books hit that dead on....The plot was fast paced. I was hooked the entire way through. Even though this book follows the story of Snow White, so we know what's going to happen, the author managed to throw in a few surprises. I really enjoyed the story and the ending was lovely....One Bite was a brilliant paranormal romance. It took the story of Snow White and made it delightfully dark and absolutely amazing. I loved this book! Lovers of romance, this is a book you have to read." -Imagine a World

"It was really fun to see the twists that Blackstream put on the Snow White fairy tale. Just like with book #1, lots of the original elements were still there, but with a new twist....One Bite, like Before Midnight, is another sexy and charming fairy tale retelling! I am looking forward to seeing what Blackstream has in store for us in the next installment of the series!" -Brooke Blogs
