The Web Collection Revealed, Standard Edition: Adobe Dreamweaver CS6, Flash CS6 and Fireworks CS6 (Adobe CS6) By Sherry Bishop, James Shuman, Barbara M. Waxer

This invaluable, all-in-one guide provides a thorough introduction to web design and development with Adobe Dreamweaver® CS6, Adobe Flash® CS6, and Adobe Fireworks® CS6. In addition to detailed information on the current interface, features, and functionality of each program, the book includes step-by-step tutorials and hands-on projects to help you master industry-leading software while honing practical skills with real-world relevance. The book concludes with a chapter devoted to integration of all three applications to create a dynamic website incorporating Flash and Fireworks elements. In addition to accurate, up-to-date content, the book features full-color illustrations and an appealing, user-friendly presentation style to facilitate learning and make even complex material easier to master. The Data Files used to complete the projects found in the book are now available online. For access information please refer to the directions available in the preface of the book.
