Beholden: The Belonging Duet #2 By Corinne Michaels

Catherine Pope gets a second chance at love only to have it ripped away--again. She should've known better.

But she dared to hope.

She refuses to let fate take the reins this time. Catherine decides she's going to fight.

Jackson Cole risked it all.

He thought this time would be different.

With his loyalties pulling him in two directions, it's time to make a choice: his past or his future.

Will they be beholden to their fears, or will they both fight against their demons and finally find the love for which they both long?
