## Blessing or Curse: You Can Choose By Derek Prince

Life's trials and triumphs can seem accidental. One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him. Another may feel that every day is a gift from God with special blessings just for her. That's because forces are at work in our lives: the blessings of a loving God or the curses of our spiritual adversary.

This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings. This third edition of *Blessing or Curse* includes an extensive new study guide for small group or individual use.

## **Editorial Review**

### **From the Back Cover**

Are you continually frustrated by sickness, financial pressure, strained relationships? Or perhaps accidents happen to you or your family with perplexing regularity. Do you wonder why some people seem to get more than their share of success and fulfillment?

Derek Prince suggests that two forces are at work in every life: blessings and curses. One is beneficial, the other harmful. To enjoy the benefits of God's blessings and be protected from curses, we need to understand how these forces work.

Over 200,000 readers have found biblical understanding in Blessing or Curse. Now this special tenth anniversary edition adds a new introduction by the author and a chapter-by-chapter study guide.

Prince shows dramatically that a curse is not a superstition from the Dark Ages. He draws on real-life experiences of people who were astonished to discover that they were not the victims of blind chance-or even of heredity. Rather, the problem was a curse that might have originated in a previous generation. Most important, Prince shows you how to recognize a curse at work in your life and helps you find release and God's blessings.

Derek Prince is an internationally recognized Bible expositor with a worldwide radio ministry that reaches more than half the globe. He is the author of more than forty books, including Atonement, Your Appointment with God and Husbands and Fathers.
