**Close Liaisons (The Krinar Chronicles: Volume 1) By Anna Zaires**

**From the *New York Times* bestselling author of *Twist Me* comes an addictive, thrilling tale of dark love set on post-invasion Earth...**

In the near future, the Krinar rule the Earth. An advanced race from another galaxy, they are still a mystery to us—and we are completely at their mercy.

Shy and innocent, Mia Stalis is a college student in New York City who's led a normal life. Like most people, she's never had any interactions with the invaders—until one fateful day in the park changes everything. Having caught Korum's eye, she must now contend with a powerful, dangerously seductive Krinar who wants to possess her and will stop at nothing to make her his own.

How far would you go to regain your freedom? How much would you sacrifice to help your people? What choice will you make when you begin to fall for your enemy?

Note: This is book 1 of a completed trilogy. All three books are now available.
