Dare You To (Pushing the Limits Book 2) By Katie McGarry

"I dare you..."

If anyone knew the truth about Beth Risk's home life, they'd send her mother to jail and seventeen-year-old Beth who knows where. So she protects her mom at all costs—until the day her uncle swoops in, and Beth finds herself starting over at a school where no one understands her. Except for the one guy who shouldn't get her, but does.

Ryan Stone is the town golden boy, a popular baseball star jock—with secrets he can't tell anyone. Not even the friends he shares everything with, including the constant dares to do crazy things. The craziest? Asking out the skater girl who couldn't be less interested in him.

But what begins as a dare becomes an intense attraction. Suddenly, the boy with the flawless image is risking everything for the girl he loves, and the girl who won't let anyone get too close is daring herself to want it all....

Editorial Review

From School Library Journal

Gr 10 Up-Narrated from alternating viewpoints, this contemporary novel tells the story of 17-year-old Beth, a troubled "skater girl" with a hard past, and Ryan, a high school jock with a seemingly perfect life. It all starts at a Taco Bell in Louisville, Kentucky, when Ryan's friends dare him to get Beth's phone number, and she turns him down. Their lives become intertwined after she is uprooted from her abusive home by her uncle and is forced to move to a small town and transfer to Ryan's school. At first he sees it as an opportunity to win the dare, but she resists his offers of friendship. Nonetheless, the two gradually fall in love and learn to trust each other with their secrets, which is equally difficult for both of them. The characters are well developed. The use of drugs, profanity, and violence make this title edgier than a typical teen romance. The plot often feels drawn out, and Beth's constant attempts to run away throughout the book will likely frustrate readers. However, young romantics should find the story engaging.-Candyce Pruitt-Goddard, Hartford Public Library, CT©(c) Copyright 2013. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc. From [Booklist](#)

Beth is living on the edges of her mother's drama of addiction and abusive relationships when her uncle rescues her and whisks her off to tony Bullitt County High. There she collides with Ryan, a star athlete whose family is socially and politically prominent, and sparks fly. Using the same setting from her previous book, *Pushing the Limits* (2013), and including some of the same characters, McGarry revisits the concept of star-crossed love with teens that have vastly different secrets to hide. (Ryan's Instagram-perfect life is darker than it seems.) The gritty details of Beth's mom's drug-and-alcohol addiction will draw in readers of Ellen Hopkins' similarly themed titles, and those who love tangled romance will find plenty to enjoy. While the titular dare that draws Ryan and Beth together is fleeting, their connection is anything but. Recommend this one to fans of Simone Elkeles' *Perfect Chemistry* series. Grades 10-12. --Erin Downey Howerton

Review

"Everything-setting, characters, romance-about this novel works and works well." -Kirkus Reviews (starred review)

"Well-paced, satisfying romance." -Publishers Weekly(starred review)

"This intense and intriguing debut delves into the psychological difficulties of two teens who fall in love ... A probing, captivating story." -- Kirkus Reviews on *Pushing the Limits*

"This poignant narrative, which is told in the two protagonists' alternating voices, will find a following among those who enjoy contemporary teen romances." -- School and Library Journal on *Pushing the Limits*
