#### Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heaven’s Point of View

Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by God’s design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them.

*The tide is changing, though.*

Amber Picota’s God’s Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. It’s not politically driven and it’s not being championed by an uprising of angry “man-haters.”

Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as:

- Dating and Modesty
- Female Leaders in the Church
- Submission in Marriage
- Beauty and Self-Image

Celebrate the power and beauty of womanhood. God has given you permission to change the world—by being you!

**Break off religious traditions that keep women trapped in “old school” legalism and move beyond Christian clichés that minimize a woman’s true position in Christ!**

I have been hearing God speaking about a new movement arising in the Church today as God is anointing and promoting women in positions of greater authority and in leadership. This is a fulfillment of the prophecy mentioned in Acts 2:18. This is happening right now. Amber Picota hit this on the head in her book, *God's Feminist Movement*. Get ready to cross over into a new era as women take their rightful place in advancing the Kingdom of God on earth.
