##### **Christina Harper:**

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but

nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
