Get your projects done without having a *Master's Degree in Project Management*

There is no shortage of books on project management, yet most of those guides are weighed down with tiresome project management-speak and heavy process. This easy-to-use, step-by-step, plain English guide to project management shows readers how to hit ground running and nail the completion of projects.

For beginners who find themselves in charge of a project but have no clue where to start or those who are struggling or feel overwhelmed, ***Project Management Lite*** focuses less on the theory and more on the action with simple worksheets and checklists.

Author Juana Clark Craig, PMP, draws on over twenty-five years of project management experience gained while working in Fortune 500 companies to deliver a minimalistic approach to managing your projects *without* the mumbo-jumbo of traditional project management techniques.
