### Seven Soldiers of Victory, The - Archives, Volume 1 (Seven Soldiers of Victory Archives) By Various

Collecting LEADING COMICS #1-4, featuring the adventures of The Seven Soldiers of Victory: The Crimson Avenger, Green Arrow, the Shining Knight The Vigilante, Speedy, Stripesy and the Star-Spangled Kid! In 1941, one year after DC Comics launched the Justice Society of America in ALL-STAR COMICS, sister company All-American Comics released LEADING COMICS #1 featuring its very own super-team; The Seven Soldiers of Victory! Originally produced under the guidance of legendary editor/writer Mort Weisinger, this volume featuring page after page of classic art by Mort Meskin (among others). Add to that an insightful introduction by R.C. Harvey and it all adds up to over 200 pages of some of the best that the Golden Age had to offer - by writers Bill Finger, Mort Weisinger, Jerry Siegel and others, with art by Meskin, George Papp, Creig Flessel and others.

### Editorial Review

From School Library Journal

Grade 5 Up-Why have one superhero when you can have eight? That's the question DC Comics asked when they launched *The Seven Soldiers of Victory* (Yes, there were eight members of the Seven Soldiers of Victory) over 50 years ago. Now being reprinted for a new generation of readers, this brilliantly bound collection of the first four issues of "Leading Comics" shows what the golden age of the field was all about. The dialogue might seem a little hokey to modern readers, but the illustrations make up for it. The only disadvantage is that less hardcore fans will not know who the characters are and pass the comic off as cheesy and archaic.-*Scott La Counte, Anaheim Public Library, CA*

From [Booklist](#)

In 1941, DC struck newsstand gold by gathering some of its best-selling characters, including the Flash, Green Lantern, and Wonder Woman, into the Justice Society of America. Hoping to duplicate that success, DC launched the Seven Soldiers of Victory the next year. The Seven Soldiers were, however, second-stringers to begin with: the Star-Spangled Kid, the Crimson Avenger, the Shining Knight, and so forth. None had superpowers, and all were, compared to the JSA's members, obscure even then. Today, except for longbow-wielding Green Arrow, they're totally forgotten by anyone other than hardcore comics geeks. Judging from the reprints in their Archives volume, their adventures were fairly typical of the era. By today's lights, they're primitive, yet they possess naive charm. Exceptional among them are the stories featuring cowboy crimefighter the Vigilante, illustrated by Mort Meskin, one of the most talented artists to work in 1940s comic books. *Gordon Flagg*
