Taken #1 (The Mistaken Series Book 13) By Renna Peak

The first installment of TAKEN, the third season of The MISTAKEN Series

~New Adult - Romantic Suspense - about 110 pages

Her life as Jenna Davis abruptly ended nine months ago with a betrayal so huge, she still can't believe it really happened. The careful construction of her new life comes crashing down around her when Brandon, her past lover, unexpectedly returns, forcing her to choose between who she is and what she was. Unprepared and unwilling to return to her old existence, can Jenna and Brandon find a way to be together at last?

Recommended for adults only. Steamy scenes and coarse language.

This is the first episode of an ongoing, multi-part romantic suspense serial and **ENDS WITH A CLIFFHANGER**. The series unfolds over multiple volumes of approximately 100-150 pages each (about 25-35,000 words per episode). The complete first and second seasons of The MISTAKEN Series are available now.

While this is the third season of the series, each season stands alone and you do not need to read the previous seasons in order to enjoy TAKEN.
