The Hunted (Orion the Hunter Part Two) By J. D. Chase

Following on from part one, The Hunter, things come to a head when Issy and the mysterious Lucas Hunter give in to their desires for one wild night. But what will the consequences be? Issy learns a secret from Lucas' past and surprises them both by wanting to explore a new direction. The band find themselves with an unexpected temporary agent.

One thing is guaranteed with this series ... the action will get hotter and hotter with each installment of this serialized novel.

An alpha male, a sassy female lead and a rock band ... hmmmmm, sit back and enjoy!

Goodreads reader reviews for The Hunted (available exclusively on Amazon Kindle):

"Wow what a beginning!! Book 2 starts off exactly where book 1 ended. Which I might add that I was a little disappointed that it ended right when we were getting to the good stuff. But never the less this book starts just right. As the story progresses Issy is still locked on not having a committed relationship, and Lucas is on a mission to change that. The couple comes to an arrangement that allows them to test the relationship waters. One question I hope that's answered in book 3 is why is Issy so strongly against relationships? There's a brief mention about someone in her past, but no clue as to who and what happened. Can't wait for the release of the next book." 5/5 Clarisse.

"I definitely enjoyed Part two better than the first! A lot of heat! I can't wait to see what is going to happen during that month." 5/5 Diana.

Spoiler alert!!!

"This part two of the Hunter. Mr Hunter commissions Izzy to do some work on a building he has. Izzy does not want to lose the contract and has a one night stand with him. But she gets more than she bargained for as he wants more and he does not date/she does not do relationships. There a deal struck between them and he sends her a cheque. Izzy returns the cheque to his business and runs away. Izzy falls down the stairs and gets concussion and he makes her stay at his

apartment. I another deal is struck in which he challenges her to stay with for a month or he pursers her until she agrees to see him again. Izzy does not want to loose the contract and does not know which way to go.

Izzy find that Hunter has been celibate for years and has a dark past

Great story just too short again. Very FSG" Kathryn.

Current Goodreads overall rating (21 individual ratings) is 4.41 out of 5. (January 6th, 2013)
