### Editorial Review

#### About the Author

Edmond Moore Hamilton (1904 - 1977) was an American writer of science fiction during the mid-twentieth century. Edmond Hamilton's career as a science fiction writer began with the publication of "The Monster God of Mamurth", a short story, in the August 1926 issue of *Weird Tales*-now a classic magazine of alternative fiction. Hamilton quickly became a central member of the remarkable group of *Weird Tales* writers assembled by editor Farnsworth Wright, that included H. P. Lovecraft and Robert E. Howard. *Weird Tales* would publish 79 works of fiction by Hamilton from 1926 to 1948, making him one of the magazine's most prolific contributors. Hamilton became a friend and associate of several *Weird Tales* veterans, including E. Hoffmann Price and Otis Adelbert Kline; most notably, he struck up a 20-year friendship with close contemporary Jack Williamson, as Williamson records in his 1984 autobiography *Wonder's Child*. In the late 1930s *Weird Tales* printed several striking fantasy tales by Hamilton, most notably "He That Hath Wings" (July 1938), one of his most popular and frequently-reprinted pieces. Hamilton is wrote one of the first hardcover compilations of what would eventually come to be known as the science fiction genre, *The Horror on The Asteroid and Other Tales of Planetary Horror* (1936). The book compiles the following stories: "The Horror on the Asteroid", "The Accursed Galaxy", "The Man Who Saw Everything" ("The Man With the X-Ray Eyes"), "The Earth-Brain", "The Monster-God of Mamurth" and "The Man Who Evolved". On July 18, 2009, Kinsman, Ohio, "celebrated Edmond Hamilton Day, honoring 'The Dean of Science Fiction' and Kinsman resident

### Users Review

#### From reader reviews:

##### Warren Matt:

This *The Legion of Lazarus* book is simply not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is usually information inside this e-book incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. That *The Legion of Lazarus* without we realize teach the one who reading through it become critical in pondering and analyzing. Don't be worry *The Legion of Lazarus* can bring when you are and not make your handbag space or bookshelves' turn into full because you can have it inside your lovely laptop even telephone. This *The Legion of Lazarus* having great arrangement in word in addition to layout, so you will not feel uninterested in reading.

##### Joseph Wilson:

As people who live in the actual modest era should be upgrade about what going on or details even knowledge to make all of them keep up with the era and that is always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to you is you don't know what type you should start with. This *The Legion of Lazarus* is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

**William Lyons:**
