Tunisian Arabic in 30 Lessons: A Course in Tunsi: The Spoken Language in Tunisia By Dr Mohamed Bacha

This is an enjoyable, easy to read and practical handbook to learn Tunisian Arabic, the spoken language of Tunisia. Tunisian Arabic, like Egyptian, Moroccan and Syrian, for instance, is a colloquial spoken form of Modern Standard Arabic. However, unlike MSA, it is a real and natural language that is spoken in real life, by real people in real life situations. Standard Arabic is not in reality a spoken language: it is not spoken naturally by native speakers of Arabic anywhere in the world. It is mainly rather a formal written form used to read the news, in formal seminars, or read in books and newspapers. Hence, you will never find an Arabic speaker say to a friend: 'kaifa Haaluka?' (MSA: how are you?), but rather: "shnuwa aHwaalik?" in Tunisia, "kiif Haalak?" in gulf countries, "izzayak?" in Egypt, etc... This book is intended to help visitors to Tunisia explore and enjoy Tunisian culture in an authentic way, by familiarizing with one facet of its identity: its spoken vernacular! It is also helpful to people who wish to communicate in Tunisian Arabic with Tunisians worldwide, but also with speakers of related Arabic dialects in general, like Egyptian, Libyan, Syrian and Gulf dialects. Finally, this is a funny and instructive book for readers who enjoy discovering exotic foreign languages...and who are always keen to learn new exotic foreign languages! Two related external resources are dedicated to this book, a blog and a facebook page: <http://tunisianarabic24.blogspot.com/> <http://www.facebook.com/tunisianarabic1> Here there will be constant updates, events and news, such as book signing ceremonies in Tunisia and a forum for reader's comments, feedback and discussions. Complementary learning material, mainly audiolingual, will be posted in these internet pages too! After reading this book and with some practice, with other readers of "TA in 30 Lessons", (that would ideally take place in Tunisia!) you will be able, to really speak and genuinely communicate in Tunisian Arabic!

Editorial Review

Users Review

From reader reviews:

James Smith:

Book is actually written, printed, or created for everything. You can learn everything you want by a book. Book has a different type. We all know that that book is important matter to bring us around the world. Adjacent to that you can your reading ability was fluently. A e-book Tunisian Arabic in 30 Lessons: A Course in Tunisi: The Spoken Language in Tunisia will make you to possibly be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think which open or reading a book make you bored. It's not make you fun. Why they could be thought like that? Have you in search of best book or appropriate book with you?

Sandra Phillips:

The particular book Tunisian Arabic in 30 Lessons: A Course in Tunisi: The Spoken Language in Tunisia has a lot associated with on it. So when you read this book you can get a lot of help. The book was authored by the very famous author. Tom makes some research previous to write this book. That book very easy to read you can find the point easily after reading this article book.

Veronica Shriner:

Playing with family inside a park, coming to see the sea world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try issue that really opposite from that. One activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Tunisian Arabic in 30 Lessons: A Course in Tunisi: The Spoken Language in Tunisia, it is possible to enjoy both. It is excellent combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Michael Clark:

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Tunisian Arabic in 30 Lessons: A Course in Tunisi: The Spoken Language in Tunisia can be the response, oh how comes? A book you know. You are thus out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
