Classic Beauty: The History of Makeup By Gabriela Hernandez

The definition of a beautiful face has never been constant. See how political and social climates have molded accepted beauty rituals and the evolution of cosmetics from ancient times through today. This colorful reference book chronicles historic trends for the eyes, lips, and face, and offers in-depth aesthetic reviews of each decade from the 1920s to today. Follow the rich history of facial trends through fascinating and bizarre vintage ads; detailed makeup application guides; and profiles of famous makeup innovators, connoisseurs, and iconic faces. Over 430 images, timelines, and detailed vintage color palettes show the changing definitions of beauty and document makeup innovations (the first mascara, lipstick, eye shadow, etc.) that have evolved throughout the history of cosmetics. This is an ideal reference for the professional makeup artist, cosmetologist, educator, student, and general makeup enthusiasts.

Jennifer Chambers:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Classic Beauty: The History of Makeup can make you sense more interested to read.
