**Extremis (Previously published as The Last Assassin) (A John Rain Novel Book 5)** By Barry Eisler

**Previously published as *The Last Assassin***

Even for an average citizen, a love triangle is dangerous business. For assassin John Rain—“one of the most compelling lead characters in the genre” (*USA Today*)—it’s going to be downright deadly.

When Rain learns that his former lover, Midori, has been raising their child in New York, Rain senses a chance for reconciliation, perhaps even for redemption.

But Midori and the child are being watched by Rain’s enemies, and Rain’s sudden appearance puts them in terrible danger. To save them, Rain is forced to use the same deadly talents he had been hoping to leave behind. With the help of Tatsu, his one-time nemesis in the Japanese FBI; and Dox, the former Marine sniper whose good ol’ boy persona masks a killer as deadly as Rain himself, Rain races against time to bring his enemies into the open and eliminate them forever.

*Extremis* was previously published as *The Last Assassin*, the fifth in the bestselling John Rain assassin series.

### Editorial Review

From Publishers Weekly

Japanese-American assassin John Rain would like to get out of the killing business in his fifth action-filled outing (after 2005's *Killing Rain*), see the son he's only just learned of and perhaps try to reconnect with Midori, the child's mother. But first there's the little matter of the Japanese gangster Yamaoto and Yamaoto's Chinese triad allies, who are watching over Rain's son in New York City, not to mention Delilah, the beautiful Mossad agent who shares Rain's occupation and his bed. Seizing the initiative, Rain enlists the aid of his super-sniper friend, Dox, in a campaign to remove Yamaoto. Rain and allies clash with their many powerful foes in combat scenes full of lovingly detailed descriptions of knives, guns and other martial paraphernalia. Amid the threats to life, limb and loved ones, Rain finds time to enjoy good food, better whiskey and even better sex. While most of the action takes place in Japan, Eisler handles all the story's locales, including Manhattan and Barcelona, with considerable aplomb. *Copyright © Reed Business Information, a division of Reed Elsevier Inc. From Booklist

The fifth John Rain novel is the first not to feature the Japanese American contract killer's name in the title. Is this a sign that Eisler is taking the series in a new direction, or perhaps, given the seeming finality of the title, ending it altogether? The book begins with momentous news: Rain is a father, his brief liaison with Midori, the daughter of a man Rain killed, having produced a son. Now Rain sees his best chance of getting out of the killing game. But can he protect mother and child from his enemies, who are trying to use them as leverage to get Rain? And can he extricate himself safely from his relationship with Delilah, the beautiful Israeli assassin? This has been a consistently fine series, and its latest installment is no exception. Rain, the killer who wishes he could stop killing, is an engaging protagonist, and the author's depiction of the world of the assassin is vivid and well imagined. *David Pitt. Review

“Like McNab's Nick Stone and Child's Jack Reacher, John Rain is a classic character” — *The Times*

“... a terrific, fun read, full of modern spy craft (Eisler worked for the CIA for a while), exotic locales, hot sex and violence. Not to mention an extremely well-defined character in John Rain, who seems like a pretty good guy, given his career.” —San Jose Mercury News

“Eisler is exactly my kind of writer and his deadly main character John Rain is exactly my kind of guy—highly recommended.” —Lee Child

### Users Review

From reader reviews:

**Bessie Morris:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important action, like

looking for your favorite publication and reading a book. Beside you can solve your condition; you can add your knowledge by the book entitled Extremis (Previously published as The Last Assassin) (A John Rain Novel Book 5).
