## Mental Health and Mental Illness By Patricia D. Barry APRN PhD CS

Now in its Seventh Edition, this psychiatric and mental health nursing text covers both care of patients with psychiatric disorders and the psychosocial aspects of physiological disorders. Geared toward LPN/LVN students, the book's format reflects the nursing model and the shift of psychiatric nursing care from hospitals to community-based settings. New content includes care planning and psychotropic drug monitoring and the DSM-IV-TR. Other features include an increased emphasis on communication, and a family and resource support list that includes selected Web resources. End-of-chapter review questions allow the reader to balance knowledge-based, analysis and application questions. The Ancillary package consists of a printed Instructor's Manual and Test Bank on disk.
