## **Editorial Review**

### **Amazon.com Review**

**... Or Not to Be** is described, by its own editor, as "pornography." It's also oddly fascinating, a collection of suicide notes by the famous, including Kurt Cobain, Vincent Van Gogh, Diane Arbus, Sylvia Plath, and Virginia Woolf. Also included are poignant last words from the utterly obscure, including an anonymous Siberian who duly noted that "the snow will cover my footsteps," and a man who wrote "Bow wow and good-bye, Pepper," to his dog. Of particular interest in the collection are suicide notes by Dorothy Parker, who survived, and Ken Kesey, who was pulling a prank on the feds. Etkind also offers much factual material in the annotations to the many selections.

## **Users Review**

### **From reader reviews:**

#### **Mark Blanding:**

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that book has different type. Some people feel enjoy to spend their a chance to read a book. They are reading whatever they consider because their hobby will be reading a book. How about the person who don't like examining a book?
