The Canadian Football League: The Phoenix of Professional Sports Leagues, Revised Edition By Steve O'brien

North American football was born in Canada in the 1860s. For decades, though, the growth of Canadian football was slow to change from its rugby traditions. In recent decades, it has been in the shadow of its largest competitor, the National Football League. Although hockey is held up as Canada's number one sport, the Cfl has enjoyed as rich and storied a tradition in Canadian sports history. This book is not the usual general history detailing on-field accomplishments, Grey Cup winners etc. Instead, it combines an historical look through 2003 with discussion of continuous themes which have shaped the League. These include the role of the Canadian player, competition from other pro sports, the media's role in creating an image of the Cfl, Canadians' attitudes towards pro sports, and how the Cfl continually struggles to survive - often in spite of itself.

Editorial Review

Review

Extremely well researched. Mr. O'Brien's book takes the passionate CFL fan to school for a fascinating history lesson. -- *Dave Randorf, Host of TSN's Friday Night Football*

Great research, excellent insights, all captured by good writing make for a wonderful read about a national asset. -- *Frank Cosentino, author of A PASSING GAME, ex-CFL quarterback*

If you love the CFL, you'll love Steve O'Brien's fashion to bring you closer to the game. -- *Rick Moffat, Voice of the Montreal Alouettes, CJAD 800 Radio, Montreal*

Mr. O'Brien has hit the mark on what makes the CFL so special. ... A definite must for the CFL fan. -- *Rod Pedersen, Voice of the Saskatchewan Roughriders, CKRM 620 Radio, Regina*

There have not been enough books published about the CFL - but this one is easily one of the best. -- *John Valentine, Chair, Physical Education Department, Grant MacEwan College, Edmonton, AB*

From the Publisher

This edition will be included in SEARCH INSIDE THE BOOK at a later date. That feature still exists with the old edition as long as it is still listed by Amazon.

About the Author
