**The Metamorphosis: Illustrated Edition** By Franz Kafka, Cascais Classic Edition

The Metamorphosis (German: *Die Verwandlung*) is a novella by Franz Kafka, first published in 1915. It has been cited as one of the seminal works of fiction of the 20th century and is studied in colleges and universities across the Western world.

The story begins with a traveling salesman, Gregor Samsa, waking to find himself transformed (metamorphosed) into a large, monstrous insect-like creature.

The cause of Samsa's transformation is never revealed, and Kafka himself never gave an explanation.

The rest of Kafka's novella deals with Gregor's attempts to adjust to his new condition as he deals with being burdensome to his parents and sister, who are repulsed by the horrible, verminous creature Gregor has become.

##### **Pamela Eckert:**

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not

important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this The Metamorphosis: Illustrated Edition can make you feel more interested to read.
