**Charles Williams: Essential Writings in Spirituality and Theology** By Charles Williams

The genius of Charles Williams -- poet, novelist, and Dante scholar -- expressed itself in a number of religious themes. Readers of his fiction will find the great themes also featured in these writings on theology and the spiritual life. Hefling provides a substantial introduction and a brief preface to each essay.

### Editorial Review

#### From Library Journal

Using major portions from Williams's four published books of theological reflection and essays previously available only in periodicals, editor Hefling reveals the creative and yet thoroughly orthodox thought of this important Anglican, member of the Inklings, friend of C.S. Lewis and J.R.R. Tolkien, poet, novelist, and essayist, who died in 1945. After a substantial introductory essay, Hefling provides a judiciously chosen anthology for the reader new to the work of Williams, but even those very familiar with his writings may enjoy finding some out-of-print essays. Recommended especially for seminary and large public libraries. Copyright 1993 Reed Business Information, Inc.

#### Review

...the only writer since Dante who has found a way to make poetry out of theology. -- *W. H. Auden*

### Users Review

#### From reader reviews:

##### Susan Dixon:
