#### About the Author

I grew up an only child gorging myself on daytime soaps, night time dramas, and romance novels. I write steamy new adult novels about strong alpha men and the smart women they seek to claim, and I tend to favor continuing storylines and sagas, although I will write a stand alone novel when inspiration strikes. My novels will probably always contain something a bit taboo, lots of dirty language, and mature content ... so be warned:) Official Site: <http://LisaLangBlakeney.com>
