Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society) By Philip Goodchild

This accessible book examines critically the writings of Deleuze and Guattari, clarifying the ideas of these two notoriously difficult thinkers without oversimplifying them.

Divided into three sections - Knowledge, Power, and Liberation of Desire - the book provides a systematic account of the intellectual context as well as an exhaustive analysis of the key themes informing Deleuze and Guattari's work. It provides the framework for reading the important and influential study **Capitalism and Schizophrenia** and, with the needs of students in mind, explains the key concepts in Deleuze and Guattari's discussion of philosophy, art and politics. Definitive and incisive, the book will be invaluable in situating the philosophy.

Editorial Review

Review

‘Valuable ... it stays close to the text of Deleuze and Guattari and so invites the reader to pursue specific issues in the original. Philip Goodchild's scholarly apparatus is admirable and provides a reliable entry to the remarkable writings of two very exciting thinkers’ - **Horst Ruthrof, *Social Semiotics***

‘Goodchild shows us the joy to be found in a careful and critical engagement with works of Deleuze and Guattari.... With this book Goodchild has announced himself as a major figure in the English-speaking reception of Deleuze and Guattari's thought’ - **Iain MacKenzie, *The Queen's University of Belfast, may appear in Radical Philosophy***.

‘In this introduction Philip Goodchild has managed to pull off an almost impossible feat, making the work of Deleuze and Guattari accessible to a wider audience while at the same time remaining felicitous to the mobile and dynamic character of their innovations in thought. The result is a book of great intelligence and power which will not only introduce new readers to Deleuze and Guattari in novel and exciting ways, but which will also, I am confident, come to play a major role in the invention of their thought that is now underway and that will gain serious momentum in the next few years. Above all, Goodchild's introduction serves to show the incredible richness and immense power of the work of Deleuze and Guattari, a fertility and a potency which readily comes across when placed alongside the narcissism of postmodern thought and the sterility of so much academic philosophy. Goodchild's marvellous presentation of their work hits one in the face like a great wind, transporting one into completely new climates and strange environments, forcing one to construct new paradigms of thought and existence’ - **Keith Ansell Pearson, *University of Warwick***

‘Lively and challenging....Goodchild's personal engagement with... [Deleuze and Guattari's] work is exceptional (and was first apparent in his contemplative and insightful **Gilles Deleuze and the Question of Philosophy, 1996**)’ - **Times Literary Supplement**

About the Author

Philip Goodchild is a Lecturer at the University College of St Martin, Lancaster and the author of *Gilles Deleuze and the Question of Philosophy* (Associated University Presses, 1996).

Users Review

From reader reviews:

Kelsey Dehart:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each e-book has different aim as well as goal; it means that publication has different type. Some people truly feel enjoy to spend their time to read a book. They are really reading whatever they take because their hobby is actually reading a book. What about the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or exercise.

Well, probably you should have this Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society).

Stan Smith:

This book untitled Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society) to be one of several books that will best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit into it. You will easily to buy this kind of book in the book retailer or you can order it through online. The publisher in this book sells the e-book too. It makes you quickly to read this book, as you can read this book in your Smartphone. So there is no reason to you personally to past this guide from your list.

Faye Michaels:

This Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society) is great reserve for you because the content that is full of information for you who all always deal with world and get to make decision every minute. This particular book reveal it data accurately using great arrange word or we can claim no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with attractive delivering sentences. Having Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society) in your hand like getting the world in your arm, information in it is not ridiculous 1. We can say that no guide that offer you world inside ten or fifteen minute right but this publication already do that. So , this really is good reading book. Hi Mr. and Mrs. active do you still doubt which?

Kisha Hutton:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Deleuze and Guattari: An Introduction to the Politics of Desire (Published in association with Theory, Culture & Society) can make you feel more interested to read.
