### **Filthy Marcellos: Lucian** By Bethany-Kris

Lucian Marcello is aware of the expectations following him as the oldest son of one of North America's most infamous Cosa Nostra Dons. Family in his world is more than blood and sharing a last name. It's the honor, respect, business, and the life. Being a Capo is just a stepping stone until it's time for him to take on the role of underboss but a chance meeting with her could be the one thing he'd risk it all for.

She is exactly what he didn't know he was looking for.

Jordyn Reese spends her time trying to stay under the radar of a man who wouldn't think twice about killing her. Unwillingly affiliated with a dangerous MC gang, her life is dominated by the men surrounding her and her future rests solely in how useful she can be for them. The last thing she needs is some Mafioso gaining her more unwanted attention from the club.

He is everything she should stay away from but can't.

Notoriously violent when it comes to getting what he wants, Lucian will stop at nothing to make the target on Jordyn's back disappear. But sometimes the worst threats are the ones you can't see until it's too late. The truth behind Lucian's history is about to take center stage in more ways than one, and it'll either save him ... or kill him.

This world leaves everyone a little filthy.

Filthy Marcellos: La Cosa Nostra is not just a choice of regime and routine, it's a culture. Born as mafia royalty, the Marcello brothers were raised ingrained with the beliefs and rules of what it meant to be a Mafioso prince. It is for life. Their status is considered a given right. They will always be these people. They will always be Marcellos.
