King and Maxwell (King & Maxwell) By David Baldacci

David Baldacci brings back Sean King and Michelle Maxwell--former Secret Service agents turned private investigators--in their most surprising, personal, and dangerous case ever . . .

KING AND MAXWELL

It seems at first like a simple, tragic story. Tyler Wingo, a teenage boy, learns the awful news that his father, a soldier, was killed in action in Afghanistan. Then the extraordinary happens: Tyler receives a communication from his father . . . after his supposed death.

Tyler hires Sean and Michelle to solve the mystery surrounding his father. But their investigation quickly leads to deeper, more troubling questions. Could Tyler's father really still be alive? What was his true mission? Could Tyler be the next target?

Sean and Michelle soon realize that they've stumbled on to something bigger and more treacherous than anyone could have imagined. And as their hunt for the truth leads them relentlessly to the highest levels of power and to uncovering the most clandestine of secrets, Sean and Michelle are determined to help and protect Tyler--though they may pay for it with their lives.

Editorial Review

Review

"Another fast paced page turner that will keep you glued to the couch...by an author who continues to standout in the increasingly crowded thriller field."**Examiner.com on The Forgotten**

"Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption. The narrative moves slowly, so the reader has a chance to solve the case along with Puller. It might seem straightforward, but the final reveal will surprise even hardcore thriller junkies."**The Washington Post on The Forgotten**

"*The Innocent* is Baldacci at his absolute best...Baldacci provides the reader a non-stop pulse pounding ride that will keep you on the edge of your seat into the wee hours of the morning...Five Stars."**Examiner.com**

"This book is a definite one-day, 'edge-of-your-chair' read, with an ending that is a complete surprise. One of the best Baldacci's since *Absolute Power*, this is one that will have all suspense readers enthralled."**Suspense Magazine on The Innocent**

"Readers expect excitement and intrigue in David Baldacci's books, and *Zero Day* is no exception...As Baldacci's new hero narrowly escapes countless close calls, the pairing of the author's imagination and knowledge create a wild ride for the reader. Puller is gutsy, brash and likable. Best of all, he survives to reappear in the next book of this new series."**The Free-Lance Star on Zero Day**

"*Zero Day* is a nifty, paranoid thriller disguised as a murder mystery, and Baldacci advances it at a speedy clip with a nice mix of intrigue, tantalizing clues and the occasional explosion...Baldacci's books are fast-paced battles between good and evil."**Richmond Times Dispatch on Zero Day**
