## **Life, the Universe and Everything** By Douglas Adams

In consequence of a number of stunning catastrophes Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric earth. However, just as he thinks that things cannot possibly get any worse, they suddenly do. He discovers that the Galaxy is not only mind-bogglingly big and bewildering, but also that most of the things that happen in it are staggeringly unfair.

## Editorial Review

### Review

“Wild satire . . . the feckless protagonist, Arthur Dent, is reminiscent of Vonnegut heroes.”—*Chicago Tribune*

“Adams is one of those rare treasures: an author who, one senses, has as much fun writing as one has reading.”—*Arizona Daily Star*

*From the Trade Paperback edition.*

### From the Publisher

Join Arthur Dent, earthling, "jerk", kneebiter and time-traveler; sexy space cadet Trillian; mad alien Ford Prefect; unflappable Slartibartfast; two-headed, three-armed ex-head Honcho of the Universe Zaphod Beeblebrox... and learn to fly. Is it the end? With Douglas Adams it's always up in the air!

### From the Inside Flap

"HYSTERICAL!"

--The Philadelphia Inquirer

The unhappy inhabitants of planet Krikkit are sick of looking at the night sky above their heads--so they plan to destroy it. The universe, that is. Now only five individuals stand between the white killer robots of Krikkit and their goal of total annihilation.

They are Arthur Dent, a mild-mannered space and time traveler, who tries to learn how to fly by throwing himself at the ground and missing; Ford Prefect, his best friend, who decides to go insane to see if he likes it; Slartibartfast, the indomitable vicepresident of the Campaign for Real Time, who travels in a ship powered by irrational behavior; Zaphod Beeblebrox, the two-headed, three-armed ex-head honcho of the Universe; and Trillian, the sexy space cadet who is torn between a persistent Thunder God and a very depressed Beeblebrox.

How will it all end? Will it end? Only this stalwart crew knows as they try to avert "universal" Armageddon and save life as we know it--and don't know it!

"ADAMS IS ONE OF THOSE RARE TREASURES: an author who, one senses, has as much fun writing as one has reading."

--The Arizona Daily Star
