Owning His Bride By Sue Lyndon

After enduring the first two years of a life sentence for a crime she didn't commit, there is one thing Becca fears more than spending the rest of her days behind bars. When their five-year terms of service on the frozen prison planet of Kemmius are up, guards are allowed to choose a bride from among the prisoners, and the warden himself has set his sights on her.

Hunter has hated the warden from the moment he met him, and he'll be damned if he is going to let the vile man have a sweet, beautiful girl like Becca. Not when his own term as a guard is almost up and he'll have the chance to claim her first and make her his own.

Following a thorough, humiliating medical exam—standard procedure to ensure a potential bride's suitability as a mate—Becca finds herself bound to Hunter forever as both his wife and his property. While her new husband quickly proves to be nothing like the cruel warden, he is still a man who expects to be obeyed, and she soon learns that defiance will be dealt with firmly.

Though she is left blushing each time Hunter bares her bottom for a sound spanking—and sometimes for other, more intimate punishments—what truly shames Becca is the way her body responds to his dominance. But even as her feelings for Hunter grow stronger and her future seems brighter than it has in many years, Becca cannot help wondering if she will ever truly be free of the chains of the past.

Publisher's Note: *Owning His Bride* includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Editorial Review

Users Review

From reader reviews:

Orlando Bush:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with training books but if you want sense happy read one along with theme for entertaining like comic or novel. The actual Owning His Bride is kind of reserve which is giving the reader unstable experience.

Martin Adams:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a expertise or any news even an issue. What people must be consider any time those information which is in the former life are hard to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you receive the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen within you if you take Owning His Bride as your daily resource information.

Nancy Nault:

Reading a e-book can be one of a lot of activity that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people love it. First reading a book will give you a lot of new facts. When you read a reserve you will get new information simply because book is one of many ways to share the information or maybe their idea. Second, reading a book will make you actually more imaginative. When you studying a book especially tale fantasy book the author will bring that you imagine the story how the personas do it anything. Third, it is possible to share your knowledge to some others. When you read this Owning His Bride, it is possible to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire others, make them reading a guide.

Hector Duggan:

Do you like reading a book? Confuse to looking for your preferred book? Or your book has been rare? Why so many issue for the book? But any kind of people feel that they enjoy intended for reading. Some people likes reading through, not only science book and also novel and Owning His Bride as well as others sources were given know-how for you. After you know how the good a book, you feel need to read more and more. Science guide was created for teacher as well as students especially. Those textbooks are helping them to

increase their knowledge. In various other case, beside science reserve, any other book likes *Owning His Bride* to make your spare time a lot more colorful. Many types of book like here.
