Russia and the Soviet Union: A Historical Introduction from the Kievan State to the Present By John M Thompson

This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus' to Vladimir Putin's renewed presidency of the twenty-first century. *Russia and the Soviet Union*

does not shy away from controversial topics, including the impact of the Mongol conquest, the paradoxes of Peter the Great, the "inevitability" of the 1917 Revolution, the Stalinist terror, and the Gorbachev reform effort. Tackling those topics and others, Thompson's seventh edition is updated to discuss the flawed parliamentary elections to the Russian Duma in December 2011 as well as the election of Vladimir Putin to a second non-consecutive term as president of Russia in March 2012. Recent sociopolitical changes are reflected in a thoroughly rewritten Chapter 15 on the "New" Russia and a new Chapter 16 discussing Vladimir Putin and Dmitri Medvedev. Distinguished by its brevity and amply supplemented with useful images and suggested readings, this essential text provides balanced coverage of all periods of Russian history and incorporates economic, social, and cultural developments as well as politics and foreign policy.

Editorial Review

Review

Praise from Previous Editions:

"Comprehensive, balanced, up to date, engaging, and deftly written, *Russia and the Soviet Union* is the best brief history of Russia available today. The book is perfectly suited for use in introductory courses on Russian history and for general readers seeking to make sense of Russia over the centuries. Thompson has packed a lifetime of thoughtful reflection, teaching, and distinguished research into this volume."

—**Donald J. Raleigh, University of North Carolina at Chapel Hill**

"Through a fresh format and effective revisions, John Thompson has rendered still more succinct what was already a very neat, comprehensive and highly readable text. With updated biographies ('Further Reading') in several chapters and some new illustrations, as well as an additional chapter on Russia under the leadership of Vladimir Putin, *Russia and the Soviet Union* in its sixth edition remains a superlative text for both students of Russian history and the casual reader."

—**Vicki Hendrickson Grove, University of Colorado, Boulder**

About the Author

John M. Thompson, a graduate of Columbia's Russian Institute, taught history at Indiana University for seventeen years and was a distinguished visiting professor at the U.S. Air Force Academy and the Air War College. He is currently teaching Russian and world history at Midcoast Senior College in Maine.
