About the Author

Lee Wilkinson writing career began with short stories and serials for magazines and newspapers before going on to novels. She now has more than twenty Mills & Boon romance novels published. Amongst her hobbies are reading, gardening, walking, and cooking but travelling (and writing of course) remains her major love. Lee lives with her husband in a 300-year-old stone cottage in a picturesque Derbyshire village, which, unfortunately, gets cut off by snow most winters!
