### **Editorial Review**

#### **From Library Journal**

An evangelical Christian who believes in "sanctifying the imagination," Bodishbaugh considers what leads to spiritual wholeness. Understanding the symbolic role of dreams, balancing the masculine and feminine aspects of self, creating sacred space, and learning to pray are some of the many themes she discusses here on the basis of scripture. Although she warns against the negative attention that fundamentalists devote to Satan, Bodishbaugh succumbs to the same temptation, providing prayers of exorcism and protection.

Purchase where fundamentalist Christian books on spiritual growth are collected.
