From the Inside Flap

He Lived In Once Upon A Time...

When Princess Isabella of San Rimini needed an expert to prove the secrets of the royal palace, all roads led directly to dark, mysterious historian Nick Black--a contemporary example of masculinity if ever there was one. Yet thanks to a medieval curse, Nick Black had been around for a long time...a very long time. In fact, he'd once been known as Domenico of Bollazio, an ambitious knight who would never know peace--or mortality--until he learned to put someone else's welfare above his own. In taking Isabella's assignment, Nick hoped to find the ancient trick to break his curse. Little did he know that close contact with her highness might help him to find mortality--and love--the old-fashioned way.

About the Author

Nicole Burnham is originally from Colorado, but as the daughter of an Army dentist, grew up travelling the world. After obtaining both a law degree and a master's in political science, she settled into what she thought would be a long, secure career as an attorney. That long, secure career lasted only a year. Faced with a lifetime of writing stale legal briefs, Nicole soon decided she was better suited to the adventure of writing romance. Nicole now resides in Massachusetts. When she's not writing, she enjoys spending time with her family, babying her rose garden, and travelling--the more exotic the locale, the better. Nicole loves to hear from readers.
