The Road to Power By Karl Kautsky

The Road to Power has often been described as one of Karl Kautsky's most important and revolutionary works. The book also gained prominence as a result of its reception. As Kautsky's last major attack on those who hoped for a gradual "growth into socialism" by means of reforms and coalitions in the autocratic Wilhelmine Empire, it outraged Revisionists in the Social Democratic Party as well as certain trade union leaders.

Editorial Review

Review

"In *The Road to Power*, the foremost theorist of German Social Democracy sought to show how a Marxist party could come to power non-violently in a decades-long revolutionary political process. [This] excellent new translation...is a valuable service to scholarship."

—Professor Emeritus Robert C. Tucker, Princeton University

About the Author

Karl Kautsky (1854-1938) was the leading theorist, interpreter, and popularizer, as well as the most authoritative champion of orthodox Marxism in the German Social Democratic Party and the Second International in the period of the Wilhelmine Empire. As such, he fought both Eduard Bernstein's revisionism and Rosa Luxemburg's radicalism, while as the principle representative of democratic Marxism, he bitterly opposed Lenin's communism in the last two decades of his life.

John H. Kautsky is Professor Emeritus of Political Science at Washington University, St. Louis, Missouri. He is the author of several books and numerous articles on the politics of modernization and on communism and Marxism.

Users Review

From reader reviews:

John Solorio:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each guide has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their time and energy to read a book. They can be reading whatever they get because their hobby is reading a book. What about the person who don't like studying a book? Sometime, individual feel need book whenever they found difficult problem or maybe exercise. Well, probably you will want this *The Road to Power*.

Marlys Wieland:

The book *The Road to Power* make one feel enjoy for your spare time. You may use to make your capable far more increase. Book can to become your best friend when you getting anxiety or having big problem using your subject. If you can make reading a book *The Road to Power* to be your habit, you can get much more advantages, like add your capable, increase your knowledge about a number of or all subjects. It is possible to know everything if you like available and read a publication *The Road to Power*. Kinds of book are a lot of. It means that, science reserve or encyclopedia or other individuals. So , how do you think about this reserve?

Robert Alston:

As people who live in the modest era should be update about what going on or facts even knowledge to make these individuals keep up with the era that is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to you is you don't know what kind you should start with. This The Road to Power is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

Michael Larose:

Nowadays reading books be a little more than want or need but also get a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one along with theme for entertaining including comic or novel. Often the The Road to Power is kind of book which is giving the reader unforeseen experience.
